

**RESIDENCE AND SCHOOL ATTENDANCE
PLAYER ELIGIBILITY REQUIREMENTS**

Players will be eligible to play with that league only if they reside or the physical location of the school where they attend classes is within the boundaries provided to and approved by Little League Baseball, Incorporated. It is recommended that the league require some proof of residence or school attendance within the league's boundaries at the time the player registers. Players and their parents/guardians are advised that a false statement of residence or school attendance may lead to ineligibility to play Little League Baseball.

I. A player will be deemed to reside within the league boundaries if:

- A. His/her parents are living together and are residing within such league boundaries, OR;
- B. Either of the player's parents (or his/her court-appointed legal guardian) reside within such boundaries. "Residence," "reside" and "residing" refers to a place of bona fide continuous habitation. A place of residence once established shall not be considered changed unless the parents, parent or guardian makes a bona fide change of residence.

Residence shall be established and supported by documents, dated or in force between February 1, 2014 (previous year) and February 1, 2015 (current year), from **THREE OR MORE** of the following categories to determine residency of such parent(s) or guardian:

II. A player will be deemed to attend school in the boundaries if:

- A. The physical location of the school where they attend classes is within the boundaries established by the local league. Note: This excludes home schools, cyber schools, sports-related schools, sports academies, or preschool or after school where a student participates outside of the primary school the player is enrolled. "School attendance" refers to the (place) physical location the player in question attends school during the traditional academic year. Once established, a location of school attendance shall not be considered changed unless the child is enrolled and attends another school or is no longer enrolled in the previous school.

School attendance shall be established and supported by a document indicating enrollment for the current academic year, from ONE of the following categories to determine school attendance by such player:

- 1. Official/Certified School enrollment record, OR;
- 2. School issued report card or performance record, OR;
- 3. A Little League issued school attendance form completed by the principal, assistant principal or administrator

Requests submitted after that date will not be considered.
